All the proceeds from this action go towards supporting primary schooling in rural Rajasthan. We will buy equipment for the schools, school bags, exercise books and writing materials, school uniforms, hygiene kits and pay school fees for poor families. We also arrange health checks and basic treatment for children and mothers.

One lunch will enable us to buy 2 school bags or two girls uniforms. Five lunches can pay for the school fees of one child for a year. All proceeds will be spent on material needs of the children and the school. There are no administration costs.

More information can be found at: www.rcpi.club

Please order your food by 18:00 pm the day before using our on-line order form.
